Regulations, Rates and Charges applying to the provision of Access Service for Connection to interstate communications facilities for Interstate Customers within the operating territories of the Issuing Carriers listed on Section I Page 3

Access Services are provided by means of wire, fiber optics, radio or any other suitable technology or a combination thereof.

LEGAL NOTICE

The Ziply Fiber Interstate Service Guide and Pricelist (Guide) applies to the Ziply Fiber "Detariffed Services" (as defined below) and other telecommunications services that are set forth in this Guide.

Detariffed Services, as described in this document, are interstate special access services for which tariffs were withdrawn pursuant to FCC Report and Order, FCC 17-43, released April 28, 2017.

Beginning upon the effectiveness of the withdrawal of Detariffed Service tariffs, Detariffed Services will be subject to and provided pursuant to the rates, terms and conditions of this Guide, unless a separately executed service agreement between you and Ziply Fiber provides otherwise.

Prospective customers wishing to purchase services at the rates, terms and conditions in the Guide may do so by initiating orders through the same processes used to order services from Ziply Fiber's interstate access tariffs.

Service that is ordered without a separately executed service agreement between you and Ziply Fiber that applies to that order, will also be subject to the Ziply Fiber Interstate Access Service Agreement.

The services described in the Guide may be available through negotiated agreements, which may include rates, terms or conditions more favorable to you than those in the Guide. Prospective customers wishing to purchase Guide services at rates, terms or conditions different from those described in the Guide and the applicable Ziply Fiber Interstate Access Service Agreement may contact their Ziply Fiber service representative.

Ziply Fiber reserves the right to change the rates, terms and conditions in the Guide from time to time. Notification of Guide changes will be made available at the Ziply Fiber website.

Disclaimer: This documentation is for information purposes only and does not obligate Ziply Fiber to provide services in the manner herein described. Ziply Fiber reserves the right as its sole option to modify or revise the information in this document at any time without prior notice. In no event shall Ziply Fiber or its agents, employees, directors, officers, representatives or suppliers be liable under contract, warranty, tort (including but not limited to negligence of Ziply Fiber), or any other legal theory, for any damages arising from or relating to this document or its contents, even if advised of the possibility of such damages.
