

Carrier Customer Bulletin

Date of Notice: July 18, 2023
Notice Number: NWFZF-23-0133
Target Audience: Carrier, IXC, Wireless, CLEC, ISP
Subject: ASOG 67 System Upgrade 60-Day Notification
Effective Date: September 16, 2023

Effective September 16, 2023, ZiPLY Fiber will implement Version 67 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

ZiPLY Fiber's Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions during the following times:

Start: 8:00pm PST Friday, September 15, 2023
End: 5:00am PST Monday, September 18, 2023

With the ASOG 67 System Upgrade, the new field EVC_QTY is being added to the EVC form. ZiPLY Fiber will not be supporting the use of this new field at this time.

Please email wholesale.connectivity@ziplyfiber.com to indicate your interest in testing with ZiPLY Fiber.

If you have questions regarding the information provided in this notice, please email wholesale@ziplyfiber.com.
