

## Carrier Customer Bulletin

**Date of Notice:** January 18, 2022  
**Notice Number:** NWFZF-22-68  
**Target Audience:** IXC, Wireless, CLEC, ISP  
**Subject:** ASOG 64 System Upgrade 60-Day Notification  
**Effective Date:** March 19, 2022

---

Effective March 19, 2022 ZiPLY Fiber will implement Version 64 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

ZiPLY Fiber's Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions during the following times:

Start: 8:00pm PST Friday, March 18, 2022  
End: 5:00am PST Monday, March 21, 2022

Testing will be available to e-bonded customers in advance of the ASOG 64 System Upgrade implementation. Please email [wholesale.connectivity@zplyfiber.com](mailto:wholesale.connectivity@zplyfiber.com) to indicate your interest in testing with ZiPLY Fiber.

If you have questions regarding the information provided in this notice, please email [wholesale@zplyfiber.com](mailto:wholesale@zplyfiber.com).
