Description of Network Change:

ZiPLY Fiber announces that it intends to retire copper facilities serving in the following wire center located in the state of Oregon

NEWBERG OR NWBRORXA 115 S Edwards Street

ZiPLY will remove its copper facilities and associated equipment due to a City of Newberg right-of-way improvement project. ZiPLY Fiber has an existing fiber network in place to serve all existing and future customers affected by this network change. Specific serving locations affected by this network change are shown in **Attachment A**. Existing customers on copper facilities will be migrated to the new fiber network infrastructure without incident. All copper facilities are to be retired and removed from the records.

Implementation to begin within 15 days of being deemed final pursuant to the FCC notice.

Description of Reasonably Foreseeable Impact of the Changes:

For the locations reflected in **Attachment A**, ZiPLY Fiber will (1) no longer offer services over copper facilities; and (2) cease maintaining the copper facilities. There are presently **3** total working services none of which are competitive carrier circuits.
