

Carrier Customer Bulletin

Date of Notice: February 1, 2023
Notice Number: NWFZF-23-0120
Target Audience: Carrier, IXC, Wireless, CLEC, ISP
Subject: ASOG 66 System Upgrade 45-Day Notification
Effective Date: March 18, 2023

Effective March 18, 2023, ZiPLY Fiber will implement Version 66 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

ZiPLY Fiber's Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions during the following times:

Start: 8:00pm PST Friday, March 17, 2023
End: 5:00am PST Monday, March 20, 2023

With the ASOG 66 System Upgrade, ZiPLY Fiber will support the following new fields on the ASR form (ADMIN section next to the DDD field):

- SSDI_PRILOC:
 - Identifies the customer's desired site walk date at the primary location site.
 - 10 alpha/numeric characters. Example: "03/02/2023"
- SSDI_SECLOC:
 - Identifies the customer's desired site walk date at the secondary location site.
 - 10 alpha/numeric characters. Example: "03/02/2023"

Please email wholesale.connectivity@ziplyfiber.com to indicate your interest in testing with ZiPLY Fiber.
