

Carrier Customer Bulletin

Date of Notice: January 18, 2024
Notice Number: NWFZF-24-0152
Target Audience: Carrier, IXC, Wireless, CLEC, ISP
Subject: ASOG 68 System Upgrade 60-Day Notification
Effective Date: March 17, 2024

Effective March 17, 2024, ZiPLY Fiber will implement Version 68 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

ZiPLY Fiber's Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions during the following times:

Start: 8:00pm PST Friday, March 15, 2024
End: 5:00am PST Monday, March 18, 2024

With the ASOG 68 System Upgrade, the EVC_QTY field is being moved to the Administrative Section of the ASR Form from its current location on the EVC Form. ZiPLY Fiber does not currently support the use of this field.

Please email wholesale.connectivity@ziplyfiber.com to indicate your interest in testing with ZiPLY Fiber.
