

## Carrier Customer Bulletin

**Date of Notice:** April 30, 2024  
**Notice Number:** NWFZF-24-0157  
**Target Audience:** Carrier, IXC, Wireless, CLEC, Reseller, ISP  
**Subject:** Notice of Rate Change on UNE Analog and Narrowband loops  
**Effective Date:** July 02, 2024

---

Pursuant to your company's interconnection agreement(s) (the "Agreement") for any and all state(s) in which your company has an Agreement with a ZiPLY Fiber incumbent local exchange carrier under Sections 251 and 252 of the Communications Act of 1934 (the "Act"), this letter provides notice to your company that ZiPLY Fiber will be changing rates on the following products and services effective July 2, 2024.

- Unbundled 2-wire and 4-wire analog voice grade copper loops, including the attached TDM equipment ("UNE Analog Loops").
- Narrowband Loops (2-wire VGE copper; 4-wire VGE copper, Hybrid loops with TDM function; 64 Kbps transmission path)

Revised rates for these products can be found at the following links:
