

Carrier Customer Bulletin

Date of Notice: July 23, 2024
Notice Number: NWFZF-24-0160
Target Audience: Carrier, IXC, Wireless, CLEC, ISP
Subject: ASOG 69 System Upgrade 60-Day Notification
Effective Date: September 21, 2024

Effective September 21, 2024, ZiPLY Fiber will implement Version 69 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

ZiPLY Fiber's Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions during the following times:

Start: 8:00pm PST Friday, September 20, 2024
End: 5:00am PST Monday, September 23, 2024

With the ASOG 69 System Upgrade, the CNR/REMARKS field will allow up to 450 characters to be populated.

Please email wholesale.connectivity@ziplyfiber.com to indicate your interest in testing with ZiPLY Fiber.

If you have questions regarding the information provided in this notice, please email wholesale@ziplyfiber.com.
