

Carrier Customer Bulletin

Date of Notice: March 31, 2025
Notice Number: NWFZF-25-0175
Target Audience: Carrier, IXC, Wireless, CLEC, Reseller, ISP
Subject: Notice of Rate Change on UNE Analog and Narrowband loops_May 31, 2025
Effective Date: May 31, 2025

Pursuant to your company's interconnection agreement(s) (the "Agreement") for any and all state(s) in which your company has an Agreement with a ZiPLY Fiber incumbent local exchange carrier under Sections 251 and 252 of the Communications Act of 1934 (the "Act"), this letter provides notice to your company that ZiPLY Fiber will be changing rates on the following products and services effective May 31, 2025.

- Unbundled 2-wire and 4-wire analog voice grade copper loops, including the attached TDM equipment ("UNE Analog Loops").
- Narrowband Loops (2-wire VGE copper; 4-wire VGE copper, Hybrid loops with TDM function; 64 Kbps transmission path).
- Digital Loops (2-wire and 4-wire copper and hybrid loops).

Revised rates for these products can be found at the following links:
