

Carrier Customer Bulletin

Date of Notice: January 15, 2025
Notice Number: NWFZF-25-171
Target Audience: Carrier, IXC, Wireless, CLEC, ISP
Subject: ASOG 70 System Upgrade 60-Day Notification
Effective Date: March 16, 2025

Effective March 16, 2025, ZiPLY Fiber will implement Version 70 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

ZiPLY Fiber's Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions during the following times:

Start: 8:00pm PST Friday, March 14, 2025
End: 5:00am PST Monday, March 17, 2025

With the ASOG 70 System Upgrade, the C/NR Error Message field will allow up to 180 characters to be populated.

Please email wholesale.connectivity@ziplyfiber.com to indicate your interest in testing with ZiPLY Fiber.

If you have questions regarding the information provided in this notice, please email wholesale@ziplyfiber.com.
