

## Carrier Customer Bulletin

**Date of Notice:** February 18, 2025  
**Notice Number:** NWFZF-25-173  
**Target Audience:** Carrier, IXC, Wireless, CLEC, ISP  
**Subject:** ASOG 70 System Upgrade 60-Day Notification  
**Effective Date:** March 16, 2025

---

Effective March 16, 2025, ZiPLY Fiber will implement Version 70 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

ZiPLY Fiber's Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions during the following times:

Start: 8:00pm PST Friday, March 14, 2025  
End: 5:00am PST Monday, March 17, 2025

With the ASOG 70 System Upgrade, the C/NR Error Message field will allow up to 180 characters to be populated.

Please email [wholesale.connectivity@ziplyfiber.com](mailto:wholesale.connectivity@ziplyfiber.com) to indicate your interest in testing with ZiPLY Fiber.

If you have questions regarding the information provided in this notice, please email [wholesale@ziplyfiber.com](mailto:wholesale@ziplyfiber.com).
