Video Media Server Setup

Note: We recommend connecting this to your main TV.

First, connect your Video Media Server.

If you are connecting a new Video Media Server and a new Media Client, the Video Media Server must be installed and activated before you install the Media Client.

② Connect the **Power Cord**

Back of TV

① Connect the **Coax Cable**

Optional
Coax Cable
to Router

② Connect the **HDMI Cable**

Next, activate your Video Media Server.

Turn on your Video Media Server and your TV. Then, using your **Fiber TV Remote**, follow the instructions shown on your TV screen.

Media Client Setup

Connecting Your Media Client Using HDMI cable (preferred)

3 Connect the **Power Cord**

Back of TV

1 Connect the **Coax Cable**

2 Connect the **HDMI Cable**

IMPORTANT: DO NOT install Media Clients until after you've installed and activated your Video Media Server(s).

Alternate Option: Using Composite Cables

③ Connect the **Power Cord**

② Connect the **HDMI Cable**

① Connect the **Coax Cable**

Back of TV

Activate your media client.

Turn on your Media Client and your TV. Then, using your **Fiber TV Remote**, follow the instructions shown on your TV screen.

Digital Adapter and CableCARD Setup
(If Special Ordered)

Connecting Your Digital Adapter

2 Connect the **Power Cord**

1 Connect the **Coax Cable**

Back of TV

2 Connect the **Coax Cable**

Activate your digital adapter.

1. Turn on the Digital Adapter by pressing the Set Top Box button on the Fiber TV Remote Control.

2. Turn on your TV and tune to Channel 3, either manually or with the remote control that came with your TV.

3. To complete activation, call Ziply Fiber Customer Support at 1.866.699.4759 and provide the Digital Adapter serial numbers.

Installing your cableCARD

CableCARD

1. Read through the instructions for your CableCARD-ready device and complete any setup

2. When the CableCARD is inserted, follow the on-screen instructions.

3. When prompted, enter the activation code on your Ziply Fiber Customer Receipt.

4. Select which method of activation you prefer and follow the instructions.
