

Carrier Customer Bulletin

Date of Notice: December 8, 2023
Notice Number: NWFZF-23-0148
Target Audience: Carrier, IXC, Wireless, CLEC, Reseller, ISP
Subject: Notice of Rate Change on UNE Narrowband Loops & Digital Copper Loops
Effective Date: February 8, 2024 / March 8, 2024

Pursuant to your company's interconnection agreement(s) (the "Agreement") for any and all state(s) in which your company has an Agreement with a ZiPLY Fiber incumbent local exchange carrier under Sections 251 and 252 of the Communications Act of 1934 (the "Act"), this letter provides notice to your company that ZiPLY Fiber will be changing rates on the following products and services upon the effective dates shown below:

Effective February 8, 2024:

- Narrowband Loops (2-wire VGE copper; 4-wire VGE copper, Hybrid loops with TDM function; 64 Kbps transmission path)

Effective March 8, 2024:

- Digital Copper Loops (2-wire conditioned DSL; 4-wire conditioned DSL)
