

## Carrier Customer Bulletin

**Date of Notice:** February 15, 2024  
**Notice Number:** NWFZF-24-0153  
**Target Audience:** Carrier, IXC, Wireless, CLEC, ISP  
**Subject:** ASOG 68 System Upgrade 30-Day Notification  
**Effective Date:** March 17, 2024

---

Effective March 17, 2024, ZiPLY Fiber will implement Version 68 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

ZiPLY Fiber's Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions during the following times:

Start: 8:00pm PST Friday, March 15, 2024  
End: 5:00am PST Monday, March 18, 2024

With the ASOG 68 System Upgrade, the EVC\_QTY field is being moved to the Administrative Section of the ASR Form from its current location on the EVC Form. ZiPLY Fiber does not currently support the use of this field.

Please email [wholesale.connectivity@ziplyfiber.com](mailto:wholesale.connectivity@ziplyfiber.com) to indicate your interest in testing with ZiPLY Fiber.

If you have questions regarding the information provided in this notice, please email [wholesale@ziplyfiber.com](mailto:wholesale@ziplyfiber.com).
