Fiber TV occasionally changes its channel offerings. For a complete listing of all the Fiber TV channels available in your area, visit ZiptyFiber.com.

¹ A Zipty Fiber-supplied HD receiver and an HD-ready TV set are required to receive HD programming.

Programming services offered within each package are subject to change, and not all programming services will be available at all times. Blackout restrictions also apply.

** Music Choice requires Zipty Fiber Internet to view music video channels.

Parental Controls:

Please remember that parental controls can be easily set up. For more information on setting up parental controls, consult your Fiber TV User Guide on VOD.
